Would Like to Make an Oral Statement Tonight: _____ Yes _____ No

Please Include this Statement/Comment in the Record:

I do not agree with trying to replace "SAND". onto the beach.
I have seen this type of thing in Broward County at John Lyod Centre and Daina Beach, 6 years to 8 years ago. and after spending over 12 months with "Sand Restoration". it only lasted 9 months, then went back to its natural level. So I conclude this Would be a Waste of Money. It would be better for the Money to put to use for Beach Cleaning and Oil Tanker control to prevent oil spills, and help the sea life to expand.
