PUBLIC NOTICE
LETTERS OF PERMISSION CATEGORIES
ADDENDUM

TO WHOM IT MAY CONCERN: The Jacksonville District of the U.S. Army Corps of Engineers issued a public notice on May 21, 1996, notifying the public of the categories of work which may be evaluated as a Letter of Permission (LOP). The following category has also been approved:

The placement of fill material in freshwater wetlands for residential development, not to exceed 0.2 acre. The following areas are excluded from the LOP process:

a. Wetlands in or adjacent to Outstanding Florida Waters (OFWs) as defined in Florida Statutes 17-3.041.

b. Wetlands in or adjacent to National Parks, National Wildlife Sanctuaries, National Preserves, and National Marine Sanctuaries.

c. Wetlands in active designated State of Florida Areas of Critical State Concern, including the Green Swamp, Big Cypress Swamp and City of Apalachicola.

d. Timucuan Ecological and Historic Preserve in Duval County, Florida.

e. Golden Gate Estates, Collier County, Florida, south of Alligator Alley.

f. Wetlands of Garcon Point, south of I-10, Santa Rosa County, Florida.

g. Wetlands adjacent to Deerpoint Lake, Bay County, Florida.

f. Puerto Rico or the U.S. Virgin Islands

g. The Florida Keys

Questions may be addressed to Ms. Marie G. Burns at the letterhead address or telephone 904-232-1665.

Marie G. Burns
