Florida Department of Transportation, District 4
Attn: Georgi Celusnek
3400 West Commercial Boulevard
Fort Lauderdale, FL 33309

Dear Ms. Celusnek:

Reference is made to your letter in which you requested to modify the Department of the Army permit number SAJ-2002-4478(IP-AAZ) issued to the Florida Department of Transportation on October 4, 2002. The original permit authorized modifications to three culverts in the M1 Drainage Canal, the C-51 Canal, and the Lake Worth Drainage District S-3 Canal. The project is located along Southern Boulevard between Forest Hill Boulevard and State Road 7 in Section 35, Township 43 South, Range 41 East, Palm Beach County, Florida.

Your letter requests to extend the permit for two years to ensure the construction will be complete. The new proposed expiration date is October 4, 2009.

The impacts of the modification on the environment have been evaluated and found to be insignificant. The permit is hereby modified as described above. All other conditions of the permit remain in effect. You should attach this letter to the permit. If you have any questions regarding this document, please contact Alisa Zarbo at the letterhead address, by telephone at 772-219-8418, or by email at Alisa.A.Zarbo@saj02.usace.army.mil.

Sincerely,

Paul L. Grosskruger
Colonel, U.S. Army
District Engineer
