

FACT SHEET
Manatee Harbor, FL (O&M)
Operations and Maintenance
Congressional District: 14, 16

1. DESCRIPTION

The project provides for federal maintenance of an existing 40-foot deep by 400-foot wide entrance channel and basin. The entrance channel extends approximately 3 miles in length from the turning basin to its intersection with the Tampa Harbor Main Channel.

2. FUNDING

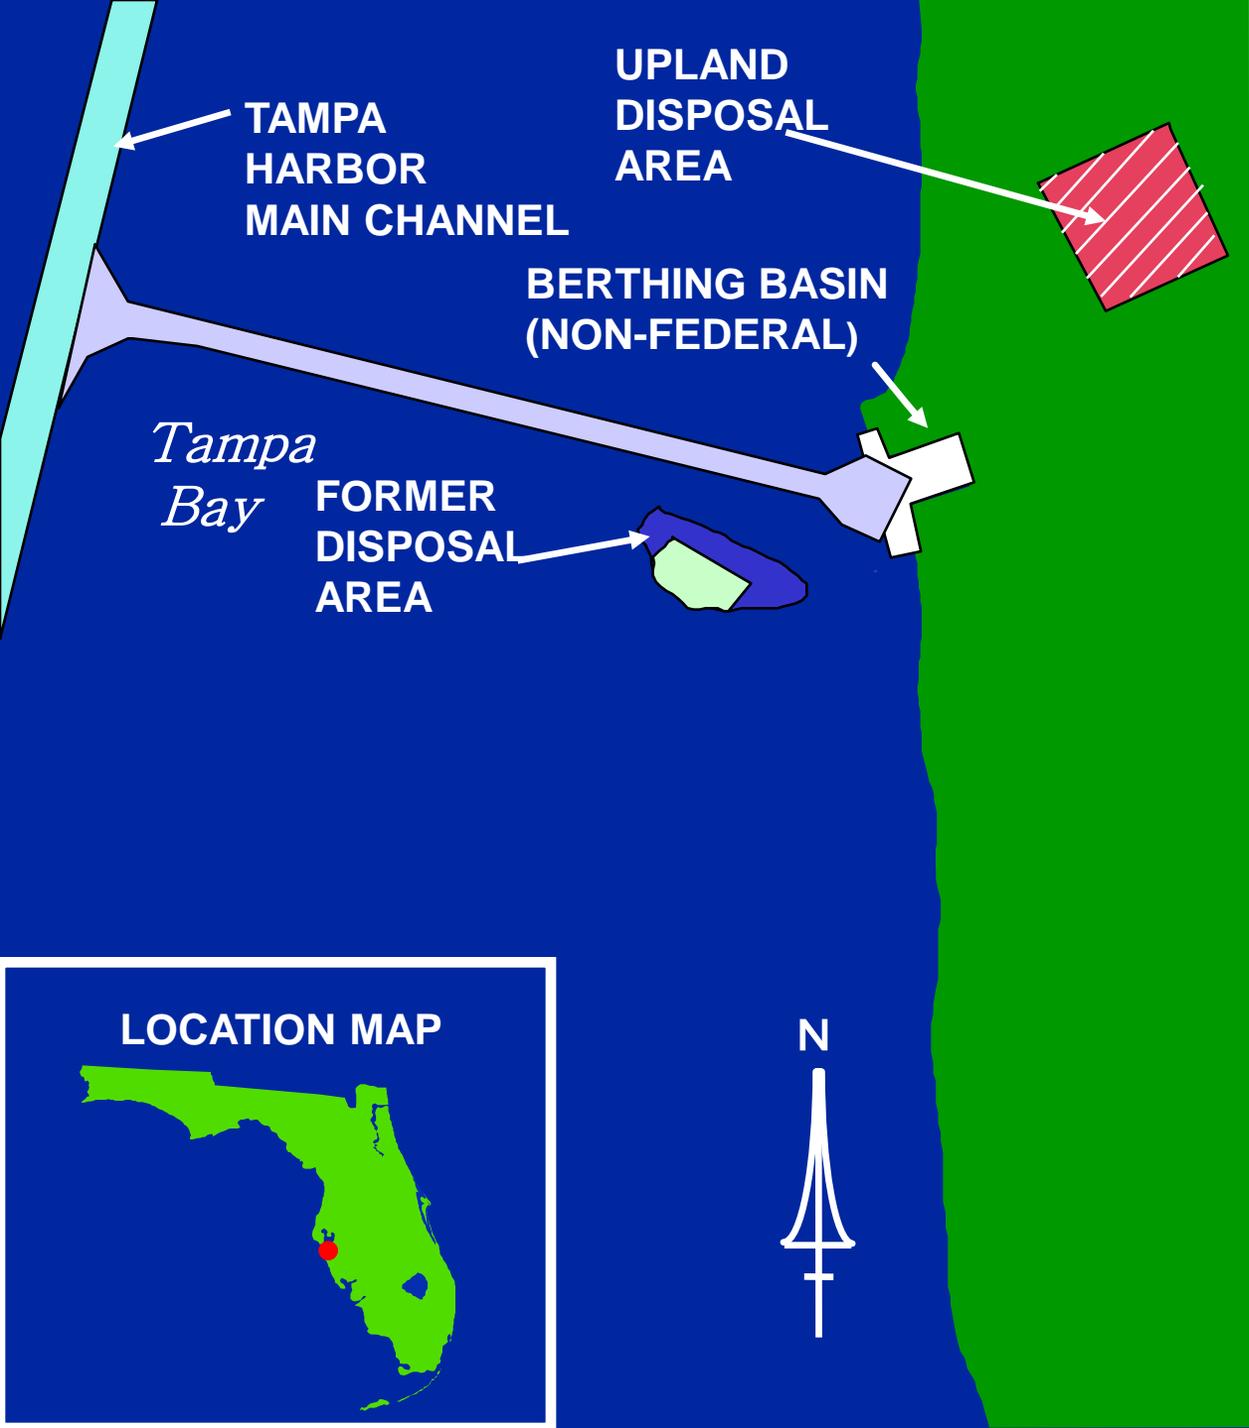

Allocation for FY15	\$ 2,645,000
President's Budget FY 16	\$400,000

3. SPONSOR

Manatee Port Authority
300 Tampa Bay Way, Suite 1
Palmetto, Florida 34221-6608

4. STATUS

Condition surveys conducted during FY14 showed that dredging was required in the Federal channel and turning basin. Contract was awarded in September 2014. Dredging operations commenced in November 2014 and were completed in January 2015. 200,000 CY of material were removed and placed in the existing upland disposal facility. Plans & Specifications are being finalized for a dewatering contract of the upland disposal facility in order to create additional capacity for future maintenance events.
