

FACT SHEET
Pinellas County, FL
 Construction (C)
 Congressional Districts: 12, 13, 14

1. DESCRIPTION

The project extends along 25 miles of island beaches from Dunedin Pass to Pass-A-Grille Pass. The project provides for the restoration of 1 mile of shoreline on Clearwater Beach Island, restoration of 7.9 miles of shoreline on Sand Key, restoration of 2 miles of shoreline on Treasure Island, nourishment of 0.5 miles of shoreline on Long Key, and periodic nourishment as needed along the entire length of the four segments.

2. FUNDING

Estimated Total Cost	\$371,170,000
Estimated Federal Cost	\$273,858,000
Allocation thru FY16	\$117,036,000
Allocation for FY17	\$0
President's Budget FY18	\$TBD

3. SPONSOR

Pinellas County Board of County Commissioners
 14 South Ft. Harrison Avenue
 Clearwater, Florida 33756

4. STATUS

Tropical Storm Debby impacted the County beaches and as a result, the Treasure Island and Long Key segments underwent renourishment during summer of 2014. Annual post construction monitoring continues for both Long Key and Treasure Island segments. Preparation for the 4th renourishment of the Sand Key segment is underway, with additional analyses of current conditions performed post Hurricane Hermine, yielding a loss of 360k cubic yards from the project's design berm. A positive Project Information Report was approved by Corps Headquarters and accelerated construction from FY18 to FY17. Award is scheduled for summer of 2017 with a total value of \$30m.
