

FACT SHEET
Tampa Harbor, FL DMDF
 Construction (C)
 Congressional Districts: 10, 11, 12, 13, 14, 15, 16

1. DESCRIPTION

There are two active Dredge Material Disposal Facilities (DMDFs) associated with Tampa Harbor. These are 2D and 3D. 2D is used for Berthing areas (non-Federal material). 3-D is used for Federal channels. Per the 2012 Dredge Material Management Plan, the dikes at DMMF 3D need to be raised from current elevation 23 to 40 feet.

2. FUNDING

Estimated Total Cost	\$20,600,000
Estimated Federal Cost	\$15,419,000
Allocation thru FY16	\$15,419,000
Allocation for FY17	\$0
President's Budget FY18	\$TBD

3. SPONSOR

Tampa Port Authority
 Post Office Box 2192
 Tampa, Florida 33601

4. STATUS

The Dredge Material Management Area raising Contract was completed in August 2015. This contract raised the Dike to 40 feet and provided capacity for dredged material for the next 20 years. The Jacksonville District is currently waiting on Tampa Port Authority to address two deficiencies so the project can be closed out.
