

8th annual First Coast Air Potato Round-up

Come Join the Fun and Help Preserve Our Conservation Lands !

Volunteers are needed to help rid our natural areas of Air Potato vine and other invasive plants. Invasive species smother our native plants and are one of the **greatest ecological threats to natural communities in Florida.**

Gather all your friends and family & participate in this fun event! No registration necessary unless you're bringing a large group. Just grab your garden gloves and head over to one of the many work sites! ***Prizes awarded for the two largest potatoes found!***

Saturday March 1st, 2014

9am-12pm
