

Bi-Monthly Conference Calls – Jacksonville Harbor Deepening Study

Members of the public are invited to participate in bi-monthly conference calls to hear about ongoing efforts for the Jacksonville Harbor Deepening Study. These calls will allow the public an opportunity to hear about project updates and provide input into the process.

Agenda items to be discussed during the calls include: engineering and design, economics, environmental, plan formulation, schedules, and other relevant topics. There will be an opportunity at the end of each call to receive questions and comments.
