

Conference Call Attendees,

The Jacksonville Harbor Deepening Study public and agency teleconferences will end January 2014. The project continues to move forward on schedule and we may plan additional meetings in the future as appropriate.

The Corps still welcomes comments and questions as we work through the study process. Please send your comments or inquiries to PublicMail.CESAJ-CC@usace.army.mil (put JAX Harbor in the subject line) or call the Project Manager at 904-232-1381. Members of the media should contact the Corporate Communications Office at 904-232-1630. Project information is available on our Jacksonville District website, which is routinely updated with completed reports and actions.

Thank you so much for your past interest and contributions.

Sincerely,

The Jacksonville Harbor Study Team
