NOTICE TO NAVIGATION INTERESTS

INTRACOASTAL WATERWAY, CANAVERAL HARBOR, FLORIDA

1. **Canaveral Lock Closure** – The Canaveral Lock will be partially closed for upcoming repairs to the South Chamber Guide Wall. The existing West End of the South Guide Wall has suffered a structural failure and the remaining portion is in very poor condition due to age. A contract has been awarded to replace the Chamber Guide Wall. As part of the agreed upon restrictions during commencement of the work, the lock will be opened for vessel traffic no more than 2 times each day during weekdays, and normal operating conditions on the weekends. Effective Monday December 10, 2012 and continuing for approximately 6 months, Canaveral Lock Vessel passages will be conducted according to the below schedules. If any information changes after the date of this notice, a new Notice to Navigation will be issued promptly with the new information.

a. **(Canaveral Lock):** Canaveral Lock is scheduled to begin operating under new restrictions beginning Monday December 10, 2012 through June 2013. The weekday locking hours for vessel passage will be 6:00 am -7:00 am, one lockage each direction, and 6:00 pm - 9:00 pm. Monday-Friday. There will be no lock restrictions on the weekends. However, any vessel that requires greater than 45 feet horizontal clearance will need to be scheduled for passage 7 days in advance with the Lock Master to allow for construction vessel movements, regardless of the weekday or weekend.

b. The Lock Master at Canaveral Lock is Mr. Mike Mannhardt and the phone number is (321) 783-5421.

2. Additional information concerning Canaveral Lock or other Navigational interests may be obtained by accessing the Jacksonville District web site at <http://www.saj.usace.army.mil> and choosing the OPERATIONS DIVISION tab and selecting the NOTICE TO NAVIGATION from the pull down menu. Please call the US Army Corps of Engineers at 904-232-2103 (Aaron Kelly) for the latest information regarding the lock status.
