UPDATE: KISSIMMEE RIVER (C-38 CANAL) NAVIGATION RESTRICTIONS DUE TO CONSTRUCTION HAVE BEEN LIFTED

1. Backfilling of a portion of the Kissimmee River (C-38 Canal) as part of the Kissimmee River Restoration project has been delayed indefinitely.
2. Navigation restrictions due to construction have been lifted from the U.S. 98 bridge southward for approximately 1.5 miles along the Kissimmee River (C-38 Canal). Additional access to the C-38 Canal will remain open at the Istokpoga boat ramp, and S-65C and S-65D boat ramps, providing access to the Kissimmee River. See the web page link below for latest information:
