Planning and Policy Division  
Environmental Branch

To Whom It May Concern,

The U.S. Army Corps of Engineers, Jacksonville District (Corps) and U.S. Department of Interior's Bureau of Ocean Energy Management are withdrawing the currently noticed (on 13 August 2014) Draft Finding of No Significant Impact (FONSI) for the Duval County Shore Protection Project from public view and consideration. The project will be modified to be consistent with the ongoing designation for the new Jacksonville Harbor Ocean Dredged Material Disposal Site (ODMDS) project. The FONSI may be re-notified following a consistency review and determination that no conflicts with the ODMDS project exists. We thank you for your consideration and look forward to your comments once the FONSI is notified.

If you have any questions, please contact Mr. Paul DeMarco by telephone at 904-232-1897, or by email at paul.m.demarco@usace.army.mil.

Sincerely,

A handwritten signature in black ink, appearing to read "Eric P. Summa", is written over a large, stylized, circular scribble.

Eric P. Summa  
Chief, Environmental Branch  
Planning & Policy Division
