MEMORANDUM FOR COMMANDER, JACKSONVILLE DISTRICT (CESAJ-OD/
JIM W. JEFFORDS)

SUBJECT: Approval of the Review Plan for Interim Water Control Plan and Environmental Assessment for Seminole Big Cypress Reservation Water Conservation Plan Critical Project, Basin 4, Hendry County, Florida

1. References:

a. Memorandum, CESAJ-OD, 3 October 2012, Approval of the Review Plan for Interim Water Control Plan and Environmental Assessment for Seminole Big Cypress Reservation Water Conservation Plan Critical Project, Basin 4 (Enclosure).

b. EC 1165-2-209, Civil Works Review Policy, 31 January 2010.

2. The enclosed Review Plan for Interim Water Control Plan and Environmental Assessment for Seminole Big Cypress Reservation Water Conservation Plan Critical Project, Basin 4, 1 October 2012, submitted by reference 1.a, has been reviewed by this office and is approved in accordance with reference 1.b above.

3. The South Atlantic Division (SAD) concurs with the determination that a Type II Independent External Peer Review (IEPR) is not required on this project. The primary basis for the concurrence that a Type II IEPR is not required is the determination that failure of this interim water control plan does not pose a significant threat to human life. SAD further concurs with the determination that this interim water control plan does not require an Agency Technical Review. Non-substantive changes to this RP do not require further approval.

4. The District should take steps to post the Review Plan to its web site and provide a link to CESAD-RBT. Before posting to the web site, the names of Corps/Army employees should be removed.

5. When Jacksonville District submits the Basin 4 Interim Water Control Plan to SAD for approval, it is hereby directed to include the District Quality Control documentation as a part of the submittal package.

6. The SAD point of contact is Mr. James Truelove, CESAD-RBT, 404-562-5121.
