MEMORANDUM FOR COMMANDER JACKSONVILLE DISTRICT (CESAJ-OD-MW/  
JOHN E. ZEDIK)

SUBJECT: Approval of the Review Plan for the Seminole Big Cypress Reservation  
Basins 1, 2 and 4 Water Control Manual, South Florida Ecosystem Restoration Critical  
Project

1. References:

a. Memorandum, CESAJ-OD-MW, 17 September 2013, subject: Approval of the  
Review Plan - Seminole Big Cypress Reservation Basins 1, 2, and 4 Water Control  
Manual, South Florida Ecosystem Restoration Critical Project (Enclosure).

b. EC 1165-2-214, Civil Works Review, 15 December 2012.

2. The enclosed Review Plan for the Seminole Big Cypress Reservation Basins 1, 2  
and 4 Water Control Manual submitted by reference 1.a, has been reviewed by this  
office and is approved in accordance with reference 1.b above.

3. The South Atlantic Division (SAD) concurs with the determination that neither a Type  
I nor a Type II Independent External Peer Review (IEPR) is required on this Water  
Control Manual. The primary basis for the concurrence that a Type II IEPR is not  
required is the determination that failure of this operating plan does not pose a  
significant threat to human life. SAD further concurs with the determination that this  
Water Control Manual does not require an Agency Technical Review.

4. The district should take steps to post the Review Plan to its web site and provide a  
link to CESAD-RBT. Before posting to the web site, the names of Corps/Army  
employees should be removed. Subsequent significant changes to this Review Plan,  
should they become necessary, will require new written approval from this office.

5. The SAD point of contact is Mr. James Truelove, CESAD-RBT, 404-562-5121.
