

2016 – Forecasted Acquisition Strategy- Jacksonville District – Updated 22 October 2015

DISCLAIMER: The forecast data is for planning purposes, does not represent a pre-solicitation synopsis, does not constitute an invitation for bid or request for proposal, and is not a commitment by the government to purchase the desired products and services. This forecast is based on the best information available and is not intended to be all-inclusive. The information provided in this forecast is subject to modification and is in no way binding on the Government. These requirements may or may not be executed and are contingent upon funding, real estate, permits, etc.

Dates provided are approximate only; therefore you must monitor Federal Business Opportunities(FedBizOpps) www.fbo.gov to see if and when these requirements are announced. You may monitor Jacksonville District requirements by searching on “W912EP” in FBO.

All acquisition strategy noted is subject to change based on market research and as the requirements are further definitized. Disclosure of magnitude is subject to change without notice.
