PUBLIC NOTICE – COMMENT PERIOD EXTENSION

Permit Application No. SAJ-2011-00551 (IP-TEH)

On November 28, 2011, the Jacksonville District of the U.S. Army Corps of Engineers (Corps) published a public notice for a proposed project known as “Ridge Road Extension”. This notice featured a 30-day comment period. Given the receipt of multiple requests to extend the comment period and the voluminous nature of the public notice materials, the Corps hereby extends the public notice comment period to January 27, 2012 to afford interested parties ample time to provide comments.

Comments should be submitted in writing to the District Engineer at the above address. Alternatively, comments may be transmitted electronically to the Project Manager, Tracy Hurst, at Tracy.E.Hurst@usace.army.mil or via facsimile at 813-769-7061. Please direct any questions to Ms. Hurst at 813-769-7063.

The public notice, published on November 28, 2011, is available under the “Ridge Road Extension” header at www.saj.usace.army.mil/Divisions/Regulatory/interest.htm.
