

Table 3.1 Data Inventory by Discipline (as of December 10, 2000)

IMAGERY	
Dataset or Document Name	General Description of Dataset
DOQQs	Digital Orthophoto Quarter Quads--Key West through Long Key Sub-directory for focus area
ESI Atlases, South Florida	Maps of the FMRI Environmental Sensitivity database.
BATHYMETRY	
Dataset or Document Name	General Description of Dataset
fknmsbthyn83	bathymetric line work
keysbthypdsp83	Polygon bathymetry data
BOUNDARIES	
Dataset or Document Name	General Description of Dataset
paed_sp83	planning area enumeration districts
paed_fa	paed_sp83 clipped to focus area
plss_sp	section/township/range data for monroe county
plss_fa	plss_sp clipped to focus area
wwu_fa	wwunits clipped to focus area
wwunits	GIS boundaries for the wastewater plan in the Keys.
fknms_alb.shp	FKNMS boundary
studyarea83	FKCCS study area
WATER QUALITY	
Dataset or Document Name	General Description of Dataset
wq_stn_sp83	water quality monitoring stations
wq_stn_focus	wq_stn_sp83 clipped to focus area
wq305b96_sp83	1996 CWA section 305b water quality stations from FDEP
wq305b_clp	wq305b96_sp83 clipped to Keys
wq305b_focus	wq305b96_sp83 clipped to focus area
DISCHARGES	
Dataset or Document Name	General Description of Dataset
cerclis_sp83	point locations of hazardous waste sites
kys_npdessp83	national pollutant discharge system sites
kys_tris_sp83	toxic release sites
kysewplt_sp83	sewage treatment plants
kysewtnk_sp83	septic tanks
MARINE HABITAT	
Dataset or Document Name	General Description of Dataset
sghalodole	halodole wrighti interpolation by Fourqurean
sghalodole_sp	
sgthalassia	thalassia testudinum interpolation by Fourqurean
sgthalassia_sp	
sghalophdec	Halophila decipiens interpolation by Fourqurean
sghalophdec_sp	
sghalopheng	Halophila engelmannii interpolation by Fourqurean
sghalopheng_sp	

sgsyring	Syringodinium filiforme interpolation by Fourqrean
sgsyring_sp	
benthicfocus	fknmsben_sp83 clipped to focus area
fknmsben_sp83	marine benthics
keyscars_sp83	boat propeller scars in seagrass beds

PARCELS & LAND USE

Dataset or Document Name	General Description of Dataset
parcelcov	These data are not the official parcel data that URS is using for January. They have been deleted from the network.
parcelfocus	
parcelshaw	
parcelshaw	
parcelshawjoin	
lucode_sp83	land use from the county--data have NO attributes
wwparcelcov	Parcels from wastewater study
wwparcelcovc1	Parcels from wastewater study that have been cleaned by ArcInfo
wwparcelfa	Parcels from wasterwater study that have been clipped to focus area
PARCELS	Original wastewater parcels in shapefile format
parcltaxps83p	Official parcel data from County
taxroll.dbf	Tax roll database from the Monroe County Property Appraiser's office
future_sp83	Future land use from County
critfacilsp83	critical facilities
mo-lu88	land use from the SFWMD, 1988
mo_flum	future land use from the SFWMD
mo_flum97	future land use from the SFWMD
ky_west	1971 land use from SFWMD
wky_west	1972 land use from SFWMD

SHORELINES

Dataset or Document Name	General Description of Dataset
esishore_sp83	Environmental Sensitivity Index shoreline generally used for oil spill response.
shore40k	1:40,000 scale shoreline
shore40k_clp	shore40k clipped to Keys
official	benthics shoreline
focushoreline	benthics shoreline clipped to focus area

TRANSPORTATION

Dataset or Document Name	General Description of Dataset
focus_rds	tigerroads clipped to Keys
roads_fa	tigerroads clipped to focus area
highways	the major highway running through the keys: US 1
majroads	major roads in the keys
tigerroads	tiger roads in the keys
fgdl_rds	roads from the FGDL CD

SOILS

Dataset or Document Name	General Description of Dataset
--------------------------	--------------------------------

mo_ssur	SFWMD SSURGO soils for Monroe county
mo_ssur_83	
mossur_hsg	soils with the HSG table joined
TERRESTRIAL HABITAT	
Dataset or Document Name	General Description of Dataset
fl_aci_sp83	FNAI Areas of Conservation Interest
fl_pna_sp83	FNAI Potential Natural Areas
fleo_sp83	FNAI Element of Occurrence
adidkeys_sp83	Advanced Identification of Wetlands
carl99_sp83	CARL project boundaries
adidfocus	adidkeys_sp83 clipped to focus area
adidfocus2	Adid focus with additional statistics in attribute table
aci_focus	fl_aci_sp83 clipped to focus area
car99_clp	car99_sp83 clipped to Keys
car99_focus	car99_sp83 clipped to focus area
fl_aci_clp	fl_aci_sp83 clipped to Keys
fl_pna_clp	fl_pna_sp83 clipped to Keys
pna_focus	fl_pna_sp83 clipped to the focus area
fldpron_focus	fldprone_sp83 clipped to focus area
fldprone_sp83	FEMA flood zones
fleo_clp	fleo_sp83 clipped to Keys
fleo_focus	fleo_sp83 clipped to focus area
flma_sp83	managed areas from FNAI
flma_clp	flma_sp83 clipped to Keys
flma_focus	flma_sp83 clipped to focus area
mon_hot_sp83	Monroe county hotspots
monrshca_sp83	Monroe county shcas
dlghydro_sp83	hydrography
bwvishca_sp83	
crocshca_sp83	crocodile shca model
macushca_sp83	
plntshca_sp83	
prckshca_sp83	
thamshca_sp83	
wadrshca_sp83	
wcpishca_sp83	white crowned pigeon shca model
shca_que_sp83	
shca_sp83	shca model
UTILITIES	
Dataset or Document Name	General Description of Dataset
fkaa-pts	Florida keys aqueduct authority customer locations
newsbhotspot	hotspot subdivisions from the county WW master plan
EXOTICS	
Dataset or Document Name	General Description of Dataset
Invasive Exotic Vegetation	Points lines and polygon data of exotic infestation in the keys.

Mapping in the Florida Keys - 1996	These data are questionable.
MARINE SPECIES	
Dataset or Document Name	General Description of Dataset
gturtle_sp83	green turtle distribution
mangrove_sp83	mangrove distribution
pkshrmp_sp83	pink shrimp distribution
qconch_sp83	queen conch distribution
splbstr_sp83	spiny lobster distribution
TERRESTRIAL SPECIES	
Dataset or Document Name	General Description of Dataset
croc_sp83	crocodile distribution
gblheron (nesting & habitat)	great blue heron distribution
keydeer_sp83	key deer distribution
klwrat_sp83	key largo wood rat distribution
mrshrab_sp83	marsh rabbit distribution
roseate (nesting & habitat)	roseate spoonbill distribution
srrat_sp83	silver rice rat distribution
wcpigeon (nesting & habitat)	pigeon distribution
whiteibis (nesting & habitat)	white ibis distribution
woodstork (nesting)	woodstork distribution
roseate_hab	roseate spoonbill habitat
roseate_nest	roseate spoonbill nesting sites
wcpign_hab	pigeon habitat
wcpign_nest	pigeon nesting sites
whtibis_hab	white ibis habitat
whtibis_nest	white ibis nesting sites
woodstrk_nest	woodstork nesting sites
CACTSHABSP83P	cactus habitat from the USFWS
CH_AMCR_SP83P	American crocodile from the USFWS
KEDEHAB_SP83P	key deer habitat from the USFWS
FWSREFG_SP83P	NEED TO CHECK THESE DATA
KLMAMHABSP83P	NEED TO CHECK THESE DATA
LKMRHAB_SP83P	key largo marsh rabbit habitat from the USFWS
SIRRHABSP83P	silver rice rat habitat from the USFWS
SCSWHAB_SP83P	NEED TO CHECK THESE DATA
pothab folder	contains potential habitat data for 50 species occurring in the FL Keys
shca_fkccs folder	contains shca grids for selected species
Habitat Conservation Needs	These are the updated data from the 1994 Closing The Gaps analysis. NOTE: There are duplicate data in this folder with the data FMRI has already provided us. Tara is checking
MISCELLANEOUS	
Dataset or Document Name	General Description of Dataset
FKNMS WQPP	A CD-ROM containing GIS data from the FKNMS Water Quality Protection Program. Data include coral, seagrass, water quality

	and general base map information.
TM-2Master Wastewater Database Development	Report with tables and b/w maps
Wastewater TM4 Text.doc	Technical report
Blueways.pdx, Blueways.pdt	Pro-cite database that contains references to many GAP analysis and landscape level papers.
Benthic Habitats of the Florida Keys	GIS data and maps of the benthic habitats in the Keys
MULTIPLE DXF AND DLG FILES	utilities, roads, land use, etc.
Mosquito Spraying Data	Data representing areas that sprayed with insecticide
Monroe Co WW	Data from the county wastewater master plan CDROM
Florida Marine Spill Analysis System	An ArcView application that uses all of the ESI data.
