### Canal 37 between Lakes Kissimmee and Hatchineha

#### REFERENCES:

a. 33 CFR Navigation and Navigable Waters

#### 1. Notice to Navigation Interests

Notice is given that the U.S. Army Corps of Engineers Jacksonville District as part of the Kissimmee River Restoration Project will commence the armoring of the Canal 37 (Kissimmee River) embankment between Lakes Hatchineha and Kissimmee starting in January 2018. The armoring construction will span approximately 18 months.

Navigation will remain open during construction; however, a no wake zone will be enforced, due to safety; also, please note that there will be certified divers in the area during this construction.
