MEMORANDUM FOR COMMANDER JACKSONVILLE DISTRICT (CESAJ-PD/
ERIC L. BUSH)

SUBJECT: Approval of the Review Plan for the Letter Report on Assessment of Completion
Status for the Modified Waters Deliveries Project

1. References:

a. Memorandum, CESAJ-PD, 3 April 2013, subject: Modified Water Delivery Letter Report
– Request for Review Plan Approval (Enclosure).

b. EC 1165-2-214, Civil Works Review, 15 December 2012.

2. The enclosed Review Plan for the Letter Report to Assess the Completion Status for the
Modified Waters Deliveries Project submitted by reference 1.a, has been reviewed by this office
and is approved in accordance with reference 1.b above.

3. We concur with the District's assessment that Type I IEPR is not required. We also concur
with the conclusion of the District presented in this Review Plan that a Type II Independent
External Peer Review (IEPR) is not required on this Report. The primary basis for our
concurrence that a Type II IEPR is not required is that the failure or loss of the features
associated with the Report does not pose a significant threat to human life.

4. The District should take steps to post the Review Plan to its web site and provide a link to
CESAD-RBT. Before posting to the website, the names of Corps/Army employees should be
removed. Subsequent significant changes to this Review Plan, should they become necessary,
will require new written approval from this office.

5. The SAD point of contact is Mr. James Truelove, CESAD-RBT, 404-562-5121.
